That is what I guessed but just wanted to make sure.

Jayne--

The CZM program is administered purely by NOAA (my office) so there is no formal EPA contact. I think Patty likely shared with you as an fyi for the CZARA group and as OR's 319 POC.

I've cc'ed Kris Wall, our regional NOAA rep who works with OR's czm program in case she may have any more intell.

Hi Allison and Don,

I just received from Patty Snow, Oregon DLCDC, a brochure outlining 2013-2015 biennial report on the Oregon Coastal Management Program. Is there a regional EPA contact for this program who should get this information? Allison, who do you work with on a regional EPA level (or is EPA even involved)?

Thanks for helping me sort this out.

Jayne
